PRAYERLINE

Week of October 27

North America

- Pray for the upcoming alumni celebrations in Kamloops and Calgary in early November. May they be a time of reflection and thanksgiving for God's faithfulness over the years.

Africa

- Pray for the church in Rwanda, where government regulations have led to the closure of many church buildings.
- Pray for the church to persevere and continue ministry.

Europe

- Pray for Xiaodan and Philipp in Marburg, as they continue to evangelize and disciple new students after the Chinese Moon Festival.
- Pray for deepening relationships and fruitful ministry.

MENA

- Pray for peace and for CBM's partners in Lebanon serving displaced families amidst escalating conflict. Pray for continued resources and safety.

Latin America and Caribbean

- Praise God for Latin American leaders who attended the Lausanne Conference. We celebrate that the continent now sends more cross-cultural workers than it receives.

Asia

- Pray for those affected by floods in Myanmar and Thailand. After continued heavy rain caused by the typhoon, large areas have been affected by flooding and landslides in both countries.
- Pray that people will be resilient in dealing with this disaster, and for the safety of those suffering from the flood, as well as those trying to help.
- After the water recedes, many will need to cope with damaged homes and lost property, and some have even lost loved ones. Pray that God's comfort and strength will be with those facing this trauma.

North America

- Pray for the three Kenyan partners from ACC&S as they participate in the alumni celebrations in Canada. May this be a time of encouragement and fellowship.
