### Week of March 30

#### *Africa*

- Pray for our partners in Africa, that they may understand they are a part of God's mission, not only in the work they do as individual organizations, but also when they join together in their efforts as part of the Nairobi Accord.

#### *Latin America and Caribbean*

- Pray that God will continue to pour wisdom and discernment upon our Field Staff as they walk alongside and support our partners in their ministries.

#### *Europe*

- Pray for the children and youth ministries of the church in Kassel.
- Pray that they might grow up walking in the right path and not stray from it even in old age.
- Pray for the teachers to be wise and responsible, and to lead by example in teaching the truth of the Bible

#### *Asia*

- Pray for the upcoming Mission Training in Thailand in May, equipping pastors for cross-cultural ministry.
- Pray for the accreditation process at Almaty Bible Institute in Kazakhstan, as they prepare for October evaluations.
- Please pray for the Lay Leaders Training Seminar on Church Organization & Management taking place on March 29 in the Philippines. This seminar will equip **50** lay leaders **from** 10 local churches, representing youth, women, and men.
- Pray for the host church as they prepare for the event. May this seminar strengthen church leadership and equip lay leaders to serve effectively in their communities.

#### *MENA*

- Pray for the ABTS Leadership Team as they embark on a busy season of travel to attend various conferences. Ask for God's wisdom, strength, and protection over their journeys. May these gatherings be fruitful, fostering meaningful connections and advancing the mission of the Kingdom.

#### *North America*

- Please pray for churches considering participation in a SENT team trip. There are many factors to weigh and decisions to make.
- Also, pray for the teams preparing to go or currently traveling. Some teams have faced weather-related cancellations, preventing them from going. May God provide wisdom, perseverance, and opportunities for these mission efforts to move forward.
